

**The best thing  
about flying  
"The world's most  
experienced airline"  
is that it actually is  
the world's most  
experienced airline.**

Pan Am<sup>®</sup> is the airline that opened the world to air travel.

In 1929, it was the Caribbean.

In 1930, South America.

In 1935, the Pacific.

In 1939, the Atlantic.

In 1947, we put it all together and made the first scheduled passenger flight ever to circle the globe.

Today, we make it easy for you to travel the world we opened by flying to all 6 continents.
