JOHN A. LEE*Erik Olssen*

This is the first full scale biography of one of New Zealand's grand old men. Lee has himself written, 'I'm due to be either famous or infamous, both at the same time. My books and voluminous records assure that. And I don't care how it goes. People will at least know I was a man, not a namby pamby piece of jelly.'

Erik Olssen's book is an important and thoroughly entertaining biography of a man who is one of the most colourful characters to have appeared on the New Zealand political scene.
