*'a series that promises to be the*  
*best of its kind.'* *History*

**Wars and Revolutions**

Britain 1760-1815

**Ian R. Christie**

'... it is Professor Christie's analysis of eighteenth-century politics to which many of his readers will be looking with the greatest sense of anticipation. Here he provides us with a masterly summary of what is still for many students a confused and confusing subject... an excellent general survey, which deserves to be widely read and extensively used, which will stimulate the mind as well as inform, and which conveys a vivid sense of the richness and complexity of the past.' *The Times Higher Education Supplement*

## THE FEEL OF TRUTH

Peter Munz (ed.)

An historic publication with essays that touch on many fascinating and important aspects of New Zealand and Pacific history, ranging from the influence of early missionaries to the evolution of trusteeship and independence, from land problems and electoral patterns to problems of modern economic policy. A tribute to the activity in research and teaching of the two scholars in whose honour they were presented, F. L. W. Wood and J. C. Beaglehole. Other contributors include: J. W. Davidson, F. H. Corner, R. M. Ross, Mary Boyd, Keith Sinclair, Ian Wards, J. A. Salmond, G. A. Wood, W. H. Oliver, W. B. Harland, Janet Murray, G. R. Hawke.

*Hardcover with photographs 274pp \$5.00 (including p.&p.)*
